WARRANTY GUIDELINES

All benchtops supplied POLISHED by Toolies Benchtops carry a 7 year guarantee against faulty workmanship.
 Benchtops supplied in 'Blank form' carry a warranty limited to the repair/replacement of the blank only.
 Benchtops need to be finished with a water proof finish (1 Pac Polyurethane) or (2 Pac Polyurethane) polish.
 Normal timber movement caused by unseasonal hot/dry weather - prolonged periods of rain
 Incorrect polishing or installation procedures or household mishaps/misuse will not be covered under the warranty provisions.
 While all effort is undertaken to minimise corrugation some movement can be expected.
 Colour variation of timber is a natural characteristic and not considered a fault.
